Safeguarding Guide

What Do I Do if I am Worried About a Child?

If you become concerned about:

- Something a student says
- Marks or bruising on a student
- Changes in a child's behaviour or demeanour

- You must inform the Designated Safeguarding Lead.
- If you feel that a child may be at risk of harm but are not sure then inform the Designated Safeguarding Lead immediately who will offer advice and take appropriate action. In their absence please refer to the Deputy Designated Safeguarding Lead/s.
- Child abuse happens to all children regardless of gender, culture, religion, social background and those with or without a disability.
- A copy of the school's safeguarding policy is on display in the staff room and the reception area.

Sometimes a child may disclose information to you. If this happens then the following actions must take place.

What Do I Do if A Child Discloses They Are Being Harmed?

- React calmly
- Listen carefully to the child, particularly what is said spontaneously
- Do not promise confidentiality. Explain to the child that you may need to pass on the information if you are worried about their safety.
- You may clarify your concern using “tell, explain, describe or outline” but as soon as your concern is confirmed ask no further questions as further enquiries may be compromised.

Only trained investigators should question a child.

- Reassure the child that they have done the right thing
- Record carefully what the child says in their words including how and when the account was given. Date, time and sign the record. Pass this on to the Designated Member of Staff for Safeguarding immediately.

Types of Harm

Everybody has a responsibility to keep all children under the age of 18 safe and this applies to both the home and school environment. Harm is identified in four ways:

Physical: This is when a child is deliberately hurt or injured

Sexual: This is when a child is influenced or forced to take part in a sexual activity. This can be a physical activity or non-physical, e.g. being made to look at an inappropriate image.

Emotional: This is when a child is made to feel frightened, worthless or unloved. It can be shouting, using threats or making fun of someone. It can also be when children see their parents, or visitors to the home, fighting or using violence

Neglect: This is when a child is not being taken care of by their parents. It can be poor hygiene, poor diet, not keeping appointments for additional support, not coming to school or being left home alone.

Staff Conduct

If you are concerned about the conduct of a member of staff following an observation or disclosure the following actions must take place:

- Immediately inform the Headteacher,
- In their absence, immediately inform the Deputy Headteacher,
- or if it is about the Head Teacher’s conduct, contact the Chair of Governors, Jill McLaughlin, Jill.McLaughlin@islington.gov.uk

Keeping Yourself Safe

- Be professional. Be careful how you interact with or speak to a child, the child may interpret it differently.
- Avoid physical contact with children unless you are preventing them from immediately harming themselves or others.
- Avoid being on your own with a child, always ensure that a door is open and that you are visible to others.
- It’s best not to do anything for a child that he or she can do for him or herself.
- Always tell someone if a child touches you or speaks to you inappropriately. Log down the incident, time and date it and pass it on to the Headteacher.
- If you have concerns about the conduct of staff, it is your responsibility to inform the Head Teacher

Remember... if in doubt...ask.
